4-H/FFA GENERAL RULES  
(ALL JUDGE’S DECISIONS ARE FINAL)

General
1. Only bona fide 4-H/FFA members may compete in 4-H/FFA classes, except for the Open/4-H Horse Show and Dog Show. Open class must follow 4-H/FFA age requirements as of January 1, 2019.
2. 4-H/FFA members are limited to 5 entries per class unless otherwise stated.
3. 4-H/FFA exhibitors may sell a total of 2 items at the food and livestock sales—2 foods, 2 animals, or 1 food & 1 animal. Breeding livestock may be sold in the premium sale. Any animal sold in the premium sale is considered terminal and is not eligible to be shown or sold in another show or premium sale.
4. All exhibits must be work of the exhibitor and the result of the current club year’s work unless rules state otherwise.
5. Project entered as a mini booth will not be allowed to enter any other category.
6. All complaints about eligibility of exhibits must be submitted in writing to the Fair Board before judging. Complaints must be signed. Complaints received after judging will be taken into consideration when writing next year’s fair rules.
7. Pre-entry forms are due to the Extension Office by June 24, unless otherwise stated. Entry cards may be picked up at the Extension office on July 2. Every exhibit is to have an entry card. Do not change the 4-H/FFA er’s name on pre-printed cards—ask for a new one.
8. Unless otherwise stated, age groups will be: Cloverbud/Peewee, 6 and under; Junior, 6-9 (6 year olds must be in 1st grade); Intermediate, 10-13 Senior, 14-19. Note: 4-Hers must be 9 years old to exhibit at the State Fair.
9. All livestock must be weighed and tagged on county weigh-in day.
10. All entries must be pre-entered no later than June 24th.
11. All indoor exhibits must be entered from 6:00–8:00 pm on the Wednesday before the judging. All animal exhibits, including hand pets, must be in place prior to 9:00 am Thursday. No late entries will be accepted.
12. Indoor judging will begin at 9:00 am. Consultation judging will be between 4-Her and judge only. The exhibit building will be closed during judging. Parents please do not speak to the judge.
13. 4-Her must attend consultation judging, or their entry(ies) will be dropped 1 ribbon color.
14. Livestock projects will be housed on the fairgrounds, except for dogs and horses. All animals will be assigned pens at pre-fair clean up. FFA/4-H family pigs will be housed in consecutive pens with 2 to a pen. If a family has an odd number of pigs, one will be in a pen alone.
15. Livestock weigh-in will be held on Thursday morning, 7-10 am.
16. Each exhibitor will furnish bedding, feed, and feeding facilities for livestock projects. No straw bedding will be allowed in the beef or sheep barns. Wood chips are optional. Wood timbers (2x4) must be used to hold wood chips in the calf barn.
17. Livestock members must exhibit their own animals. If a 4-H/FFA’er has 2 or more entries in a class, another Clark County 4-H can show an animal.
18. No animals will be floored in the premium sale.
19. Each 4-H/FFA’er must show his/her own animal at the premium sale; no exchange of animals will take place. Please let the Extension Office know by 1:00 pm the day of the sale what animal(s) you would like to sell.
20. Food entries will be sold at the Food Sale on Thursday night with the money going to the 4-Her. All food not sold must be taken home Thursday night. Judges piece will remain with the ribbon and receipt.
21. Pens and stalls must be cleaned out at the post-fair cleanup on Sunday.
22. Grand and Reserve Champions will be displayed in the Youth Activities Building.
23. All indoor exhibits will be released at noon on Saturday. Breeding animals will be released Saturday morning, and all other animals will be released on Sunday after the post-fair clean up.
24. Clark County Extension Staff will transport 4H exhibits only to the State Fair in September. Due to limited space, however, bulky items and livestock will not be transported by Extension staff.
25. No intact male of breeding age of any species will be allowed to be shown. Bucket calves are exempt.

4-H/FFA Awards and Premiums
1. All 4-H/FFA’ers who wish to sell an item in the premium sale will be required to turn in a completed project record for that project. If a completed project record is not submitted, the 4-H/ FFA’er will not be allowed to participate in the premium sale. Food sale participants will need to submit a completed project record on Thursday at the time of their foods judging and consultation; food project records must be submitted to the foods superintendent. Livestock sale participants will be required to submit a completed project record by noon on Friday; livestock project records must be submitted to the extension office staff.
2. A Class Champion will be recognized in each class with more than two exhibits.
3. A Grand Champion and Reserve Champion will be awarded as merited in each class.
4. The following ribbons will be awarded: Purple (superior), Blue (excellent), Red (good), White (fair), Participation (Cloverbuds).
5. Premium money will be paid to 4-H/FFA and Open Class exhibitors on the following point system: blue or above=3; red=2; white=1. No additional points will be awarded for championship ratings. Premium money will be pro-rated on the basis of the total number of points earned as follows: the amount of premium money designated by the fair board will be divided by the total number points of all exhibits; the resulting number will be awarded for each point earned.
6. All 4-H/ FFA ‘ers must participate in clean up at the fairgrounds. If a 4-H/ FFA ‘er does not, they will forfeit their premium check to the fair board.
7. Premium money may be picked up at the Extension office.

Livestock Showmanship
1. The showmanship contest will be held after the judging of each species.
2. The fitting and showing contest will be divided into the following age groups: Junior, 6–9; Intermediate 10-13; Senior, 14–19.
3. Bucket calves do not qualify to compete in Showmanship.
4. Grand and Reserve Champions will be awarded in each age division.
5. Champions in each age group in horse, beef, swine, goat, and sheep showmanship will be eligible to compete in the Round Robin.
6. Adults are not to help with fitting animals for FFA/4-Hers 13 years of age and older. Assistance may be given to 4-Hers under 13 years of age.

Round Robin
1. The Round Robin will consist of beef, swine, sheep, horse, and goat in each age division.
2. Eligible 4-H/ FFA participants must be the champion in beef, swine, sheep, goat, or horse showmanship (no bucket calf).
3. There will be 10 possible points for each exhibitor in each species with 0 being the lowest. Ties will be broken by an age appropriate Q & A session with the judge. This score will only be used in case of a tie and will be on the same scale as regular judging.
BEEF

Market and Breeding
1. All market steers/heifers must be weighed and tagged on county weigh-in day. All steer/heifers must be born after January 1 of previous year.
2. All beef exhibits must be pre-entered by July 1.
3. All market beef sold at the Premium Sale must weigh at least 1000 lbs. live weight. 4-Hers’ premium checks will be decreased 1% for every 10 lbs. underweight.
4. Classes for breeding heifers will be made by breeds and 4-Her’s age. Crossbreeds and grades are permitted. Breed must be listed on entry card. All market steers/heifers sold at the premium sale must have been shown for judging.

Second Year Bucket Calves
5. Second year bucket calves must be weighed at the large animal weigh in.
6. Second year bucket calves must have been shown by the same 4-Her the previous year. The original ear tag should be used.
7. A second year bucket calf may be shown as a second year bucket calf, market steer/heifer, or a breeding heifer. If shown as a market animal, all requirements must be met.
8. There will be a Champion and Reserve Champion second year bucket calf.
9. Second year bucket calves will be judged and scored as follows: 50% knowledge of the exhibitor and 50% quality of the animal.

First Year Bucket Calves
10. Bucket calves must be owned by the 4-Her on the small animal weigh-in date and must be tagged.
11. Bucket calves must be born after December 1 of the previous year and must be halter broke.
12. There will be two age groups: Cloverbud/Peewee: 6 years of age and under; Junior, 6–9, Intermediate 10-13. Judging will be based 70% on knowledge of the exhibitor and 30% on showmanship. There will be a Grand Champion or Reserve Grand Champion in this class.

Blow and Show Fair
13. The beef show will be a no fit “blow and show.” The use of paint, glue/adhesives and boning soaps will not be allowed. Animals will be checked before entering the ring and violators will be disqualified. Each exhibitor must groom his/her own animal and may use only the assistance of an immediate family member or another 4-H/FFA member who is an exhibitor at this year’s fair.
14. No hair coloring will be allowed in groom. Any attempt to alter animal color or breed characteristics, including the addition of hair or other material is prohibited.
15. All beef exhibits will be subject to inspection and handling by the superintendent at any time.

Individual Recognition
Winners will be determined on how well the 4-H/ FFA’er takes care of their species. Observation of the 4-H/ FFA er’s Herdsmanship efforts will begin the night of the fairground clean up, and continue throughout the fair. All species will be judged; bucket calves, beef, swine, sheep, and goats. There are 5 requirements the 4-H/ FFA’er will be judged on: Feeding of animals, Exhibitor conduct, Stalls and Pen Identification, Cleanliness of Alleys and Stalls, Appearance of Animals, and Educational Exhibit. In the event of a tie, the 4-H/ FFA’er will meet with the superintendent of the barn to be interviewed. The FFA/4-H’er with the better interview score will be the winner. Individual winners will receive a $100 prize.

3. One quart of wheat per entry, cleaned and with label attached.

CLASSES
270  Hard red winter wheat
271  Hard white winter wheat
ENTOMOLOGY

1. Entries must be in Plexiglas-covered wooden box except for class 250. No glass will be displayed. Specimens may have been collected the year before. Boxes must be 18”x24”x31/2”.

2. Exhibitor is required to identify each box by placing a label with name, county, and class type (beginner, intermediate, advanced) in the inside, upper left corner of each box. The same information should be placed in the lower outside right corner. The number of orders, specimen, and families must be included on the identification labels.

3. Arrange insects in groups or rows parallel to the short side of the box. Arrangements other than this will be placed one ribbon lower. Specimens are to be arranged in the box according to Order.

4. Use of scientific names is not required.

CLASSES

272 Beginner—Age:6-9 or any beginner. Display must be in a standard sized box and have a minimum 70 to a maximum of 100 species representing at least 9 orders. Members can exhibit a maximum of 3 years in this class or until they receive a purple ribbon at state fair, whichever comes first.

273 Intermediate – Display must be in a standard size box and have a minimum of 100 to a maximum of 300 species representing at least 10 orders. On a separate sheet of paper be sure to list how your collection has changed over the year. For example if you added or replaced a family. 4-H’er may move up in class if the receive a purple ribbon or go to the state fair, whichever one comes first.
WOODWORKING

1. Exhibitor may enter 5 different kinds of entries, which may be all in the same class. Label each article with 4-Her name, address, club, article title, class number and whether article was made from a kit.

2. Exhibit is required to have plans attached at check-in on Wednesday night. Plans may be photocopies, the original pattern, or a scale drawing. Plans must be complete and accurate to the extent that a duplicate article could be built using the plans. Include a list of materials, the cost, and the amount of time spent on construction and finishing. The material list should include all lumber, hardware, and finishing supplies. Projects exhibited without plans will receive one ribbon lower.

3. Any project that has unsecured glass should not be exhibited. Glass that is secured into the project is permissible.

4. Entry card, plans, and all other paperwork should be secured to the project. The recommended method is a Ziploc bag with a hole punched through it and a string tied to the exhibit. Do not use tape.

4-H ROBOTICS

1. Each exhibitor may enter one robot per class. Exhibit must have been constructed and/or completed during the current 4-H year. The robot must have been selected at the county level for entry at the State Fair.
2. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited.
3. Robot dimensions should not exceed 2 feet high, by 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds.
4. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
5. Robots must be powered by an electrical, battery, water, air, or solar source only. Robots powered by fossil fuels/flammable liquids will be disqualified. All robots must include an on/off switch for operation. No remote control devices will be allowed.
6. Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete the required tasks for this current 4-H year.
7. Each exhibitor is required to complete the “4-H SpaceTech Robotics Exhibit Information Form,” which is available through the Extension Office. This form must be attached to the outside of a 10” x 13” manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
8. The exhibit must include written instructions for operation, construction plans, one to three pages of project photographs or a 5 minute CD, DVD, or video presentation, and robot programming information, if applicable. This information should be placed inside the 10” x 13” manila envelope mentioned above. The exhibitor may enter their electronic project listed under the electric program as under the SpaceTech robotics project if the exhibitor so chooses. Robots that include weaponry of any kind will be disqualified.
9. Creativity, workmanship, and functionality will be strong criteria in judging the “Robot designed by Exhibitor” classes.
10. Exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the robot, educational display, notebook and/or poster board.
11. Educational displays are not to exceed a standard commercial 3’ X 4’ tri-fold display board. No cardboard table exhibits will be allowed. Care should be taken to use durable materials that will withstand State Fair conditions. No electricity will be provided.

CLASSES

Entry Rules

1. Entries are due to the Extension Office by June 24th.
2. Displays will be limited to Kansas High Schools with an approved agriculture education program.
3. All entries must be made by the program instructor.
4. All current FFA members or those who have recently graduated in the current year are eligible to exhibit. The project cannot have been exhibited previously at the State Fair.
5. All entries must have been constructed, repaired, and exhibited within the past 2 years in the high school Agriculture Education program or under the direct supervision of the program director.
Display Rules
1. The exhibitor will furnish a display board with a moveable base for each project entered. The maximum size of the display for class 522 projects is 2x3 feet. For classes 523 and 524, the display board may be 4’x4’ to allow for more pictures. If the display board is not present, the exhibit will not be judged. Display boards will include: a project description; bill of materials; including all purchase items; list of skills and safety practices/features performed; the number of hours worked on the project; only the total value is needed, the return per hour is optional. The display board should be covered with plastic and/or individual laminated sheets. Pictures are encouraged and limited to the display board.
2. “For Sale” signs are not prohibited on the individual project. However, the bill of materials may contain a statement that the project is for sale.
3. A chapter sign is required for all classes. Chapter and exhibitor signs displayed are to be portable, but able to be anchored to prevent blowing over in the wind.
4. Working drawings in class 522 are not allowed on display boards and points will be deducted during judging.
5. If one project is entered consisting of multiple components, and one component(s) is not essential to the operation of the other components, then it will be considered as a separate project(s).
6. Painting or spot painting is not allowed on projects once they are on display in the FFA Ag Mechanics designated area.

Class Guidelines
1. Classes 522-526 consists of individual projects constructed by a student and/or students. There is no limit as to the number of projects a chapter may enter.
2. Class exhibits in class 527 will come from the top four project scores from classes 522-526 as determined by the judges. Only one project from class 100D may be used to complete a Class 527 exhibit.
3. Class 528, Repair Projects, will be farm tractors and garden tractors.
4. Once judging begins, no tractors may be started or worked on in the tractor display area. Tractors may be started and run at the judges’ discretion.
5. Class 529, Repair Projects, may be; field tillage, planting, harvesting, or chemical application equipment, trailer repair/rebuild, livestock and/or crop handling equipment.
6. Repair projects having adequate original finish need not be repainted for State Fair exhibition.
7. The student responsible for the repair project in Class 529 and 529 will be present to appear before the judge’s communication, in sequence, the repairs made to the equipment. A time for this presentation will be assigned when the project is unloaded at the fairgrounds and posted on the YAB door. The FFA jacket will not be worn during the presentation and the judges will ask questions following the presentation.
