

# Clark County Master Gardener Program

Receive 48hrs of training in  
subjects including:

- Vegetable Gardening
- Soils
- Plant Diseases
- Landscape Design
- Annual & Perennial Flowers
- Pesticide Use & Safety
- & Much More

After successfully completing your  
training and returning some  
volunteer hours, you will be  
certified a Master Gardener!

Attendance in person is NOT  
mandatory! All sessions will be  
recorded and available to watch!
